Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Gregory Maurer on 2/3/2009.

The application has been amended as follows:

IN THE CLAIMS:

Claim 2 has been cancelled.

Response to Arguments

Applicant's arguments, see pg. 10, filed 1/6/09, have been fully considered.

Claim 52-57 was inadvertently being cancelled. As such, claims 52-57 have been entered.

Upon the entry of claim 58, claim 2 would be objected under 37 CFR 1.75 as a duplicate claim. The applicant authorized Examiner to cancel claim 2 to overcome the objection. As such, claim 2 is canceled and claim 58 is entered.

Regarding "substitute Oath and Declaration", it is standard procedure for restriction. Since the application has been restricted, the inventorship needs to be updated.
